STUDENT STUDY MATERIAL

e-ABHYAS ACADEMY integrated study materials (BOARD + C.B.S.E + N.C.E.R.T) are designed and developed by the team of e-ABHYAS ACADEMY to assist each and every school level competitive exam. The Uniqueness of e-ABHYAS ACADEMY is that we update the material every year. The synopsis provided in our study material evolves with all the necessary background and additional tips. The exercises are designed according to the level of difficulty wise conceptual questions in **level-1**, problematic approach in **level-2**, critical thinking in **level-3**, olympiad questions in **level-4** and from this year we are introducing descriptive questions as **level-5** to make the learning more meaningful and quicker. These books cover the complete syllabus of the respective grades and also expose the student to the concepts of higher level such that they form a very strong foundation.

TEACHER TRAINING PROGRAMME

A four-day programme that equips teachers with skills in innovative teaching and implementation of the e-ABHYAS ACADEMY FOUNDATION PROGRAMME in class room. The programme focuses on :

- Academic planning
 - Using the e-abhyas micro schedule
 - Innovative lesson delivery techniques
 - Quick problem solving Techniques
 - Implementation support
 - Guest lectures on methodology and psychology
 - Guest lectures on Reasoning

It is not a "publisher material". it is not a "smart board".

it is a scientific method to teach and learn better

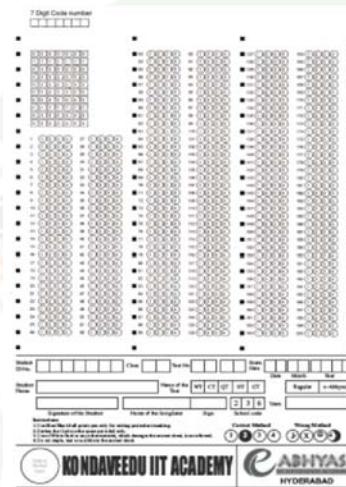

COMMON MICRO SCHEDULE

We at e-ABHYAS ACADEMY are very meticulous in preparing its academic micro schedule and we do follow it. In fact we handover the Work Sheets as per schedule to the students for whole year. Study schedule is well synchronized. The same lessons are taught in all our associated schools across the states. This enables competitive spirit and professionalism in the students and teachers, and increase the standards of the associated schools.

O.M.R. SHEET

e-ABHYAS ACADEMY is exclusively providing OPTICAL MARK RECOGNITION answer sheets to the students of associated schools with their school name. All foundation examinations conducted by e-ABHYAS Academy i.e W.T, O.T, F.T, C.T, M.T, M.O, & G.T must be answered on the O.M.R sheets only.

RESEARCH AND DEVELOPMENT (R & D)

e-ABHYAS ACADEMY'S commitment to ensuring quality education to students across the country is reflected in the care taken to ensure that every one associated with school i.e., the children and the teachers receive the best possible support in terms of content and technology. Content Development Team of 35 are highly committed research professionals, teachers, former principals and educators.

25+ in house content Developers

35+ independent expert contributors

5000+ hours of Learning Content

COMMON EXAMINATIONS & ASSESSMENT

Students of other schools though they may secure top ranks in their mock tests might not secure the same in the final entrance due to limited number of students appearing in their mock tests. However at **e-ABHYAS ACADEMY**, as we have a wide network of ASSOCIATED SCHOOLS all over the country our mock tests are taken by a huge number of students. A common foundation test for all the students from different associated schools is conducted on every Monday. A student is given subject-wise rank, local rank (rank in his class), city-wide rank, district-wise rank, and state rank for every monthly test (cumulative), Olympiad test (quarterly & half yearly) and grand test. This assessment gives an opportunity to the child to understand his position and thereby increases the scope for further improvement.
